Lehigh is a premier residential university, annually ranked in the top tier of national research universities. A nondenominational, coeducational, private university, Lehigh’s four colleges and numerous research centers contribute to a vibrant, collaborative academic community that serves undergraduate and graduate students from across the globe.

The university rewards creativity, leadership, and innovation. And our commitment to excellence and intellectual curiosity are the underpinnings of everything we do. These core values also influence our compensation and benefits program for faculty and staff. In addition to competitive salaries, medical, and life insurance, we offer generous retirement contributions and a tuition remission program for employees and their families.

This brochure offers a brief introduction to some, but not all, of the many benefits provided to full-time Lehigh faculty.

For additional information on our benefits, we encourage you to visit the Human Resources website at: http://hr.lehigh.edu/benefits.

**Effective Dates for Benefits**

All benefits included in our Flexible Benefits plan (medical, dental, life, dependent life, long term disability, and flexible spending accounts) are available on the first day of work at Lehigh. Basic life insurance and long-term disability insurance are effective on that first work day. Active enrollment is required for participation in a medical plan, dental insurance, flexible spending accounts and supplemental and dependent life insurance. Coverage is effective on the date the online enrollment process is completed, provided it is completed within 30 days of the first work day.

Lehigh’s retirement plan is available to all faculty on the first work day. There is a three-year vesting period for Lehigh’s contributions to the plan. Enrollment in the plan is required to establish control of the account.

Tuition benefits are effective with the semester after beginning employment. All other benefits are effective on the first work day.

**Domestic Partner Coverage**

Lehigh University provides the same benefits to same and opposite sex domestic partners as we do for spouses of our employees. A simple registration process is required to establish eligibility.

Faculty members should be aware that the benefits provided may be considered taxable income to the employee. In addition, tuition benefits offered by Lehigh Valley Association of Independent Colleges (LVAIC) member institutions are governed by the policies of each school.
2024 Full-Time Faculty Benefits

Health Care, Paid Leave, and Other Coverage

Medical Insurance
Lehigh University offers three medical insurance plans from Capital Blue Cross.
• The PPO plan is a preferred provider organization using a national provider network, providing additional benefits if the network is used, and imposing additional cost sharing if it is not.
• The HDHP Plan offers significantly lower premiums and a Health Savings Account option in return for higher deductibles. The plan uses the same national provider network as the PPO plan.
• Keystone Health Plan Central (KHPC) is a health maintenance organization that requires the selection of a primary care physician and referrals for care by specialists. KHPC has a local provider network.
Learn more about Lehigh’s medical coverage [https://hr.lehigh.edu/benefits/health-care](https://hr.lehigh.edu/benefits/health-care).

Prescription Drug Coverage
All Lehigh medical plans include a prescription drug plan with Express Scripts (ESI). For monthly generic prescriptions, staff pay 10 percent of ESI’s average wholesale price, up to a maximum of $25. For monthly preferred brand name prescriptions, the charge is 20 percent, up to a maximum of $50. For monthly non-preferred brand name prescriptions, the charge is 30 percent up to a maximum of $100.

Vision Plan
DavisVision is a part of all Lehigh medical plans.

Dental Plan
Lehigh offers United Concordia’s fee for service dental plan as an optional program to all eligible faculty members. Diagnostic and preventive services are provided at no cost to the subscriber. Basic services are covered at 80 percent and major services are covered at 50 percent.
There is a maximum annual benefit of $1,000 per person (not including diagnostic and preventive services). Orthodontic services are covered for children only, at 50 percent, with a lifetime maximum of $1,000.

Long Term Disability Insurance
All full-time benefits eligible faculty members receive long term disability insurance. The full cost of the premium to replace up to 66.67 percent of base salary is paid by the university. This premium is offered as a pre- or post-tax option.

Sick Leave Benefits
In case of an unavoidable short-term absence from work, employees are provided with sick leave/excused absence benefits. If a faculty member is out of work for more than ten continuous workdays because of an illness or injury, short-term disability benefits are available.

Life Insurance
Each faculty member receives life insurance coverage equal to one times his or her Flexible Benefits Salary. Supplemental coverage can be purchased for up to four times salary. Coverage is also available for dependents.

Other Insurance Benefits
Liberty Mutual Insurance Company offers faculty members the opportunity to purchase homeowners, automobile, and liability insurance through payroll deduction. Long Term Care Insurance is available through Genworth. Lehigh also offers voluntary accident and voluntary critical illness insurance through AFLAC.

Financial Benefits

Tuition Benefits
For Faculty
Full-time faculty members (working at least 75 percent of a full-time schedule), may take six credits of undergraduate or graduate study each semester at Lehigh (fall, spring, and across the two summer sessions) at no charge. Faculty taking graduate level courses should be aware that the value of course tuition over $5,250 per year is considered taxable income.
Leigh faculty may take up to two undergraduate courses each fall and spring semester and two courses over the entire summer at other Lehigh Valley Association of Independent Colleges (LVIAIC) member institutions.
Leigh’s BEST training subsidy allows faculty to take two non-credit courses or seminars each semester that are directly related to the faculty member’s current job.

For Family Members
Spouses, Domestic Partners, and unmarried dependent children may take Lehigh undergraduate courses at one-half the full tuition rate, effective with the semester after employment starts. Beginning with the semester in which the faculty member completes five years of eligible service, these family members are exempt from the entire cost. Tuition is waived immediately for graduate and summer undergraduate courses. The value of graduate tuition is taxable to the employee.
Spouses are also eligible for the same tuition exchange program as faculty at LVIAIC member colleges but only for the fall and spring semesters.
A Tuition Cash Grant program is available for unmarried dependent children of eligible faculty wishing to attend an accredited institution other than Lehigh. A cash grant of $5,000 per year per child ($20,000 maximum) can be applied to undergraduate tuition. The five-year waiting period for this benefit is waived for faculty with the rank of Associate or Full Professor.

Wellness Benefits

Be Well: Mind, Body, Spirit
Lehigh’s online wellness program, offers opportunities to be rewarded for making healthy choices. Participants can earn a monthly credit, gift cards, and other discounts and incentives while achieving their wellness goals and challenging co-workers to join the fun.
Lehigh also offers a variety of other wellness activities including walking groups, lunchtime yoga, and on campus Weight Watchers classes.
Employees at Lehigh have access to the Welch Fitness Center’s facilities as well as the university’s swimming pool. Group fitness classes are open to registration for staff and faculty.
