### **Pheobe**

*4-year-old Collie Mix*

A fun day at the beach led to a wave of expensive vet bills after Pheobe snacked on sand. Her veterinarian was able to turn the tide back in her favor, and Petplan covered the cost.

**unexpected tail:**

**\$2,020** for sand ingestion

**lesson learned:**

No matter what trouble pets dive into, **Petplan helps keep budgets afloat.**

“Petplan gave me peace of mind when Phoebe was at the vet for sand consumption and potential blockage. It allowed me to give her the best possible care without worrying about the \$2,000 expense, especially since I am not working right now.”
