## ★ june health tips ★

### protect those paws

Ever felt the sting of hot sand on bare feet? Imagine you had four of them. Keeping your pet's paws protected from summer heat can save you both a world of hurt.

[read more »](#)

### poolside pooches

If your four-legged lifeguard wants to dive in while lounging poolside, don't worry. Dr. Kim Smyth explains why a dip in chlorinated pool water is fine for Fido.

## the swimming cat

You've probably never heard the term kitty paddle. Most cats avoid getting wet, but the Turkish Van breed has been called "the swimming cat" because it loves water.

### Georgia

*6-year-old Domestic Shorthair*

Georgia went in to have her teeth cleaned, but a heart murmur discovery led to a new course of treatment. With Petplan in her corner, Georgia can get the care she needs to live a happy, healthy life.

#### unexpected tail:

\$780 for heart  
 murmur testing

#### lesson learned:

When costly pet care decisions have to be made,  
**Petplan helps you listen**  
 to your heart.

**“It has been such a comfort to just make the right decisions for Georgia and not have to worry about how much each option costs. Having Petplan and knowing that we can decide what is right for her rather than what is cheapest is invaluable. Thank you so much!”**
