If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage.

Please see the Legal Notices section for details.

Introduction to Your Benefits

Lehigh University is committed to providing you and your family with a comprehensive and competitive benefits package. Our goal is to provide high-quality, valuable benefits that are sustainable for both you and the University in the long term.

This Flexible Benefits Enrollment & Reference Guide provides details about the benefits available to you through Lehigh for 2020:
• Medical (including Prescription Drug and Vision)
• Dental
• Spending and savings accounts
• Life insurance (for you and your dependents)
• Disability
• Voluntary accident and critical illness

Consider all your benefit plan choices carefully. Read this guide to find out what’s new for the upcoming year and the important changes we have made. Think about which plans make the most sense for you and your family, and, finally, make any needed changes during Open Enrollment. Be sure to compare each plan’s features and your payroll contributions, and consider which plan best fits your needs.

Open Enrollment is your once-a-year chance to make changes to your benefits. During Open Enrollment you can:
• Change plans
• Add or delete dependents from your coverage
• Change coverage levels
• Enroll in a Health Care or Dependent Care Flexible Spending Account (FSA)
• Elect to contribute to the Health Savings Account (HSA) if you enroll in the High Deductible Health Plan (HDHP) option for 2020.

The benefit elections you make during Open Enrollment are effective from January 1, 2020 through December 31, 2020.

After Open Enrollment ends, you will not be able to make benefit changes until next year’s Open Enrollment unless you experience a Qualifying Life Event (QLE) (e.g., you get married or become a parent).
Benefits Eligibility

You are eligible for benefits if you are a full-time (or work at least 75% of a full work schedule), salaried member of Lehigh’s faculty or staff employed in a benefits-eligible position. You can also enroll your eligible dependents, including your:
- Spouse/partner*
- Child(ren) up to the end of the month in which they become age 26
- Disabled child(ren) without age limitation (coverage, and its continuation, is subject to required certification with the carrier)

All benefits included in the Flexible Benefits Plan — flexible spending accounts and medical, dental, life, dependent life, and long-term disability insurances — are available to new staff members on the first of the month following their first work day. For new faculty members, benefits are available beginning on their first work day. However, their coverage does not begin until enrollment selections are completed online in Lehigh Benefits.

*If you choose to have your spouse or partner covered by Lehigh’s medical insurance plan, you will be charged a $100/month surcharge until you complete a Spousal Surcharge Waiver request and HR approves it. Learn more about eligibility and submitting your election on the Lehigh Benefits website or by calling the Lehigh Benefits Service Center at 1-844-342-4002.

Don’t Miss Your Chance to Enroll!

- **If you are a current employee:** Enrollment for 2020 benefits will be November 4 - 18, 2019 for coverage effective January 1, 2020.
  - If you do nothing during open enrollment, your current elections will continue in 2020 with the exception of flexible spending accounts and employee HSA contributions, which must be renewed annually.
- **If you are a new hire:** New employees (both faculty and staff members) must enroll within 30 days of your first day of work.
  - Coverage for faculty members is effective as of their first day of work provided they complete their enrollment in Lehigh Benefits within the first thirty days of employment.
  - Coverage for staff members is effective on the first of the month following your start date, provided completed enrollment materials are received within 30 days of your first work day.
  - **If you miss your enrollment period deadline,** you will be assigned Lehigh’s default benefit coverage of PPO individual coverage at a monthly cost of $235. No dependents will be enrolled in medical coverage; nor will dental insurance, supplemental or dependent life insurance, or FSAs be available to you or any dependents.

Keep in mind you will not be able to make a change to your benefits during the year unless you experience a Qualifying Life Event (QLE).

Enrollment Is Easy

**Enroll on the Web**

- Log in to “Connect Lehigh” from the upper left corner of the Inside Lehigh homepage
- Select the “Employee” tab
- Select “Lehigh Benefits” from the list of applications.
- Review your “To Do” list.
- Select the button under the words “Enroll Now!” that is labeled “Click Here To View Your Benefits.”

**NOTE:** As annual notices are updated, you may need to review your To Do list prior to proceeding with enrollment or benefits changes.

**Or Use The App**

- Download the Benefitfocus app from The App Store or the Google Play Store
- Log in by using the ID “lehighbenefits” on the initial screen, then sign in with your Lehigh ID and password.

Whether you use the web or the app, you’ll be asked to confirm your dependents and answer a few questions before you begin enrollment. You can review your current elections, use the comparison shopping tool to view estimated out of pocket costs for you in each plan, change your elections, update your beneficiary information and more.
What Happens to Your Coverage if You Leave Lehigh?

Your coverage does not end right away if you separate from the University. The Consolidated Omnibus Budget Reconciliation Act’s (COBRA) continuation coverage provides you the option of continuing your medical and/or dental plan for up to 18 months. You would be responsible for paying the entire premium amount to Lehigh’s COBRA administrator plus a 2% administrative fee.

The provisions of COBRA also apply to dependents that lose coverage, including a child who turns 26. For medical and dental coverage, it is your responsibility to notify Lehigh Benefits when your child reaches age 26 or you may jeopardize your dependent’s access to COBRA coverage.

Additional information is available through the Lehigh Benefits website or by calling 1-844-342-4002.

Changing Your Coverage During the Year

The benefit elections you make during Open Enrollment take effect on the following January 1. Your elections remain in effect until the next Open Enrollment period, unless you experience a Qualifying Life Event (QLE), such as getting married or divorced or having or adopting a baby. You can add or drop dependents from your coverage as the result of a QLE, however you cannot change your medical plan election (e.g., you can add a new spouse to your medical coverage, but you can’t change from the PPO to the HDHP as a result of getting married).

It is your responsibility to notify Lehigh Benefits within 31 days of a QLE and request appropriate flexible benefit changes when you experience:

- Change in marital/partnership status such as marriage/registration or divorce/dissolution
- Addition or change in number of dependents through birth/adoption of child or change in child dependent’s status (such as reaching age 26)
- Death of a dependent child or spouse/partner
- Changes related to employment or location including change in employment, retirement, significant change in residence location or reduction in work hours below the Affordable Care Act’s employer plan eligibility threshold; or, eligibility for healthcare marketplace

If you fail to submit a QLE change request within 31 days, we will retroactively cancel coverage in the case of a dependent whose benefit eligibility ends. However, we cannot refund premiums paid for coverage that was not available. In other words, paying for coverage that your dependent is not entitled to receive will not create that entitlement. It simply means that you are paying more for coverage than you need to. Furthermore, you may jeopardize your dependent’s access to COBRA coverage by failing to notify Lehigh Benefits in a timely fashion.

See the list at right for more information on required documents and key dates. Learn more about QLEs by visiting the Lehigh Benefits website or calling the Lehigh Benefits Service Center at 1-844-342-4002.

Your 2020 Medical Options

Lehigh offers four medical plans through Capital Blue Cross. While all of the options cover the same services and treatments, and cover preventive care in full when received from in-network providers, they differ in how much you pay in payroll contributions and what you pay when you receive care. To make an informed decision about which option is right for you and your family, evaluate your health care needs and review how you pay for services under each option.

Your four medical insurance options include:

**Capital Blue Cross Preferred Provider Organization (PPO) plans:**
- PPO
- PPO-Plus
- Capital Blue Cross High Deductible Health Plan (HDHP)

**Keystone Health Maintenance Organization (HMO)**

When you enroll in a medical plan through the University, you are automatically enrolled in Prescription Drug coverage through Express Scripts and Vision coverage with Davis Vision.

**The PPO Plans**

With the PPO or PPO Plus plans, you have a choice each time you need care — you may choose health care providers within the plan’s network or visit any provider outside the network. However, you’ll typically pay more for care when you use out-of-network providers. That’s because Capital Blue Cross negotiates discounted fees for covered services with providers in their network, which allows us to set the in-network annual deductible at a lower level than the annual deductible for out-of-network care.

If you choose a PPO plan, you will pay more in premium contributions, but less when you receive care.

---

**IN-NETWORK PREVENTIVE CARE**

Preventive care is 100% covered in all health care plans when received from in-network providers. Preventive care includes services such as physical examinations and certain immunizations.

Preventive services are divided into three groups:
- Adults
- Women
- Children

Go to the Preventive Care section for details.
The HDHP

The HDHP gives you more control over how you spend — or save — your health care dollars. If you enroll in the HDHP, you can contribute to a tax-advantaged Health Savings Account (HSA) that includes a contribution from Lehigh. You can also choose to contribute up to annual IRS limits. Use this account to help pay for eligible health care expenses today, or to save for future medical, dental, and vision expenses. See the Health Savings Account section for more information.

Like the PPO plan, you have the freedom to see both in-network and out-of-network providers, but you’ll typically pay more for services from out-of-network providers and you’ll have to satisfy a separate, higher out-of-network deductible. Additionally, the HDHP network is the same network that is available in the PPO and PPO Plus plans.

The HDHP has a higher annual deductible than the PPO plans, but you’ll pay less in payroll contributions. It’s important to note that the full family deductible must be satisfied before the plan pays benefits for anyone covered in the plan. If you cover any dependents, you must meet the entire family deductible before the plan begins reimbursing your medical or prescription drug expenses. One family member, or all family members combined, can satisfy the deductible.

Although they cover the same services, there are some key differences between the HDHP and the PPOs:

<table>
<thead>
<tr>
<th>HDHP</th>
<th>PPO</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Lower payroll deductions</td>
<td>• Higher payroll deductions</td>
</tr>
<tr>

<td>• Pay less out-of-pocket when receiving care</td>
</tr>
<tr>
<td>• Higher annual deductible</td>
<td>• Lower annual deductible</td>
</tr>
<tr>
<td>• Lehigh contribution to the HSA</td>
<td>• No HSA</td>
</tr>
</tbody>
</table>

Find more information about this plan by reading the HDHP User’s Guide available on Lehigh Benefits.

The Keystone HMO

The HMO provides the maximum level of coverage with lower premiums and the lowest out-of-pocket costs. In addition, you will not be responsible for first satisfying an annual deductible before the plan pays benefits. In return, you’ll be required to receive care from in-network providers, manage your care through a Primary Care Physician (PCP) and receive referrals from your PCP if you would like to receive care from a specialist. Care received from out-of-network providers will not be covered, other than in an emergency, as determined by Capital Blue Cross. This may be the most cost-effective option for employees living in the 21 county area surrounding the University who are comfortable with using only in-network providers.

WHO SHOULD ENROLL IN THE HDHP?

Do you expect your usage to be moderate to low (only wellness visits and occasional illness)? If so, consider the plan with the higher deductible. You could save money by paying less from your paycheck for your coverage. If you are concerned about the risk of unexpected expenses, consider purchasing voluntary accident or critical illness insurance.

HEALTH ADVOCATE BENEFIT

The Health Advocate benefit offers access to a personal advocate and clinical resources to help resolve a wide range of issues, including but not limited to:

• Assistance with eldercare and Medicare issues
• Finding Doctors
• Healthcare coaching
• Obtaining second opinions
• Resolving claim disputes
• Navigating insurance plans
• Researching treatments
• Scheduling appointments
• Uncovering bill mistakes

To contact Health Advocate by phone, call 1-866-695-8622.

</tbody>
</table>

*For all coverage levels other than employee only, the entire family deductible must be met before the HDHP plan starts paying medical and pharmacy benefits to anyone in the plan. Medical and pharmacy expenses count toward the deductible.

**Depending on which medical plan you choose, Mental Health and Substance Abuse benefits are provided through either Magellan Health Services or Integrated Behavioral Health. Preauthorization is required in all plans. Failure to preauthorize with KHP results in no benefit.

***Care from out-of-network providers is not covered, other than in an emergency, as determined by Capital Blue Cross.

See the Summary of Benefits and Coverage and Plan Design Details sections of the 2020 Enrollment and Reference Guide to learn more about specific coverages and limits as well as preauthorization information.
Preventive Care
Preventive care is any covered medical service or supply that is received in the absence of symptoms or a diagnosed medical condition. Preventive care includes preventive services such as physical examinations, certain immunizations, and screening tests.

Federal laws covering medical, dental and/or vision preventive care change often. Check to see what’s covered at https://www.healthcare.gov/preventive-care-benefits.

Capital Blue Cross Virtual Care
Capital Blue Cross Virtual Care (formerly Amwell telehealth) gives covered employees access to board-certified physicians via video consultation on your smartphone, tablet or computer. The Virtual Care app is available in the Google Play and App Stores. You can use Virtual Care if you have a health problem and need urgent care; if you’re not sure you need emergency care; or if you’re simply traveling and need a doctor’s advice. Doctors can diagnose, recommend treatment and even write short-term prescriptions for most non-emergency medical issues. This benefit is included in all medical plans offered by the University. The copay is $10 for HMO and PPO subscribers, and $59 for HDHP subscribers. Visit www.capbluecross.com/virtualcare or the app to find approved providers or to contact patient support.

HOW TO CHOOSE YOUR MEDICAL PLAN

Using the comparison tools on Lehigh Benefits will help you find the plan that’s best for you.

Lehigh Benefits offers a powerful financial modeling tool to project the total cost of your medical coverage elections using:
• the average claims experience of Lehigh employees, if you have not participated in the plan in the past,
• your own claims experience if you’ve been covered by a Lehigh plan in prior years,
• the national average claims experience for persons with similar age, gender, and regional demographics as you and your dependents, and
• customized modeling of your projected medical claims for next year.

Take the time to review plan features — such as an HSA with a contribution from Lehigh — and not just what you contribute from your paycheck. Consider your needs and preferences:
1. How much coverage do I need?
   • See how the services you’ll likely need in 2020 are covered under each medical plan
   • Do you need supplemental coverage?
2. What will be my total cost?
   • Out of your paycheck: Your contributions for coverage
   • Out of your pocket: What you pay when you receive care
     – Copays
     – Deductibles
     – Coinsurance
3. How do I prefer to pay?
   • Pay more from my paycheck, and less when I need care (lower deductible plans)
   • Pay less from my paycheck, and more when I need care (higher deductible plans)
     – Consider your ability to cover large/unexpected medical bills
4. Do I want an HSA?
   • Only available to employees in the HDHP
   • Lehigh contributes to your HSA (in 2020, $600 individual/$1,200 family)
   • You can also contribute through pre-tax payroll deductions
   • Money carries over year to year — build tax-free savings to pay for eligible health expenses, now or in the future
     – Additional restrictions apply
Prescription Drug Plan

All of Lehigh’s medical plans include prescription drug benefits through Express Scripts. You can fill your prescriptions at retail pharmacies or through the Express Scripts Home Delivery program. While you have the option to choose which delivery option fits into your lifestyle, you will save time and may save money by having your medication delivered by mail.

Using generic drugs, which cost less than brand-name drugs, can save you money. A generic drug is a drug that contains the same active ingredients as the brand name drug, but can only be produced after the brand-name drug’s patent has expired. With the introduction of our three-tiered plan, it’s important to check with your doctor and pharmacy to see if any of your current medications are non-formulary and subject to higher charges.

<table>
<thead>
<tr>
<th></th>
<th>Retail</th>
<th>Mail Order</th>
</tr>
</thead>
<tbody>
<tr>

</tr>
<tr>
<td>Non-Formulary Brand Name</td>
<td>30% ($100 maximum) per 30-day supply</td>
<td>30% ($300 maximum) per 90-day supply</td>
</tr>
</tbody>
</table>

For definition of “formulary” and “non-formulary,” consult the glossary on page 19. If you have questions about whether your prescriptions are considered formulary or non-formulary, contact Express Scripts at 1-866-383-7420 or www.express-scripts.com.
Vision Coverage

Vision coverage through Davis Vision is also included in your medical plan coverage. The vision plan provides a benefit for an exam and lenses and frames on a yearly basis. You have the freedom to see any vision provider you choose, but the plan generally covers services at a higher level when you receive care from doctors who participate in the Davis Vision network. If you decide to go to an out-of-network provider, you’ll be reimbursed for exams and eyewear according to the schedule of benefits detailed below.

<table>

</tbody>
</table>

To find a provider who participates in the Davis Vision network, call 1-800-999-5431 or go to [www.davisvision.com](http://www.davisvision.com) and follow prompts for general access or member access, as appropriate. The Lehigh University client control code for general access is 4100.

Prior to initial enrollment, call 1-877-923-2847.
Dental Coverage

Dental coverage is available even if you waive medical coverage through Lehigh. Unlike medical, where the University pays the majority of your cost for coverage (i.e., the monthly premium), Lehigh does not contribute toward the cost of your dental coverage. You pay the full cost for the coverage, however your contributions are based on attractive group coverage rates.

You have the flexibility to receive care from any dentist you choose, but you will pay less when you visit a dentist who participates in the United Concordia dental provider network. This is because network providers cannot charge more than the Maximum Allowable Charge (MAC). This restriction does not apply to out-of-network providers. When you receive care from an out-of-network provider, you are responsible for any charges in excess of the MAC.

Visit United Concordia’s website at www.ucci.com or call 1-800-332-0366 to find a participating provider.

</table>

*MAC: Maximum Allowable Charge — The negotiated charge the plan pays to providers.

The Preventive Incentive

Preventive care is important for your teeth, too. Cleanings and regular exams for each covered individual are covered at 100% and do not count against the $1,000 annual maximum benefit limit. United Concordia’s plan annually includes:

- Two cleanings (six months apart)
- Two exams
- One set of x-rays

Tax-Advantaged Accounts

Health Savings Account (HSA)
The HSA is a tax-advantaged savings account you can use to help cover the costs of your health care when you enroll in the High Deductible Health Plan (HDHP). Lehigh’s HSA administrator is HealthEquity. Here are some important things to know about the HSA:

- **Money from Lehigh.** Lehigh will contribute up to $600 per year to your HSA when you enroll in employee only coverage, and up to $1,200 per year to your account for any other level of coverage. Note, this contribution will be made per pay period and will be prorated based on the date your coverage begins. You must open an HSA in order to receive the Lehigh contribution.

- **Works like a bank account.** Use the money to pay for eligible health care expenses — use your HSA debit card to pay when you receive care or reimburse yourself for payments you’ve made (up to the available balance in the account).

- **You can save.** You decide how much to save and can change that amount at any time. Contribute up to the 2020 annual IRS limit of $3,550 for individuals or $7,100 for family coverage (these amounts include Lehigh’s contribution); $1,000 additional contribution allowed for employees age 55+.

- **Never pay taxes.** Contributions are made from your paycheck on a before-tax basis, and the money will never be taxed when used for eligible expenses.

- **It’s your money.** Unused money can be carried over each year and invested for the future — you can even take it with you if you leave your job. This includes the contribution from Lehigh.

- **Can be paired with a Limited Purpose Flexible Spending Account (LPFSA).** You can use your HSA for eligible medical, dental and vision expenses. You can use your LPFSA for tax savings on eligible dental and vision expenses.

- **Important restrictions apply when you become Medicare/Social Security eligible.** Once you are enrolled in any part of Medicare, you will not be eligible to contribute to an HSA. If you are receiving Social Security payments prior to age 65 you will be enrolled in Medicare automatically when you turn 65 and will become ineligible to contribute to an HSA. Taxes and penalties will be applied by the IRS if you continue contributing. Download this information sheet from Health Equity for more information. (https://hr.lehigh.edu/sites/hr.lehigh.edu/files/medicare.pdf)

For more information about the HSA, including how to set up an account and rules and restrictions, contact HealthEquity at 1-866-346-5800 or www.healthequity.com or visit the resource center at learn.healthequity.com/lehighuniversity/hsa.

Flexible Spending Accounts (FSAs)
Flexible Spending Accounts (FSAs) let you set aside money from your paycheck — before federal income taxes — to pay for certain out-of-pocket health care and/or dependent care expenses, reducing your taxable income. Consider enrolling in one to help pay for your expenses. The type of FSA in which you can participate is based on your medical plan election.

If you elect either PPO or the HMO, or you waive Lehigh medical coverage, you can participate in either or both of the following:
- Health Care FSA
- Dependent Care FSA

If you elect the HDHP, you can participate in either or both of the following:
- Limited Purpose Health Care FSA (covers dental and vision claims)
- Dependent Care FSA
Health Care FSA
• You can use the money in your Health Care FSA to reimburse yourself for eligible expenses, including medical, prescription, dental, hearing, and vision care expenses that exceed or are not covered by your medical plan.
• When you enroll, you can elect to contribute up to $2,700 annually.
• Plan carefully when deciding how much to contribute to your FSA. You can carry over only $500 of any unclaimed balance in a Health Care FSA into the new year.
• Note: You cannot contribute to the Health Care FSA if you enroll in the HDHP.

Limited Purpose FSA (LPFSA)
• You can use the money in your LPFSA to reimburse yourself for eligible dental and vision care expenses that are not paid by your dental or vision plan.
• When you enroll, you can elect to contribute up to $2,700 annually.
• Plan carefully when deciding how much to contribute to your FSA. You can carry over only $500 of any unclaimed balance in a LPFSA into the new year.
• Note: You can only contribute to the LPFSA if you enroll in the HDHP.

Dependent Care FSA
• You can use the money in your Dependent Care FSA to reimburse yourself for eligible child care expenses for dependents under age 13 when it is necessary for you and/or your spouse to work or attend school full-time;
• Or you can use the money in your account for expenses for other eligible dependents (including your spouse) who are incapable of caring for themselves, depend on you for more than half of their support, and live with you for more than half of the year.
• When you enroll, you can elect to contribute up to:
  – $2,500 annually if you are married and file separate income tax returns
  – $5,000 annually, combined between you and your spouse, if your spouse has an account through another employer
• Money in your account does not roll over year to year, so plan carefully. If you don’t use it, you’ll lose it.

Additional information is available through the Lehigh Benefits website or by calling 1-844-342-4002.

Wageworks Healthcare FSA Debit Card
Lehigh’s FSAs are administered by Wageworks, which offers a debit card for convenient direct payments from your FSA account at the point of sale when you receive qualified services.

Please note that any claims from the prior year (2019) that you need to pay after December 31, 2019 must be paid via a claims submission on the Wageworks website. Your debit card will turn over to the 2020 claims year and cannot be used to pay for 2019 expenses beginning January 1, 2020.

QUALIFIED MEDICAL EXPENSES FOR FSA USE
You can use your Health Care FSA for expenses that would generally qualify as medical, dental and vision expenses, including, but not limited to:
• Deductibles
• Office visits
• Prescription drugs
• Hospital stays
• Lab work or x-rays
• Eyeglasses or contact lenses
• Hearing aids
• Dental work
• Crutches, braces or wheelchairs

Financial Protection

Life and disability insurance can provide important financial protection as well as peace of mind for you and your family by replacing income or covering medical expenses in the case of injury or death. Selecting the right level of coverage to ensure adequate protection begins with you.

Life Insurance

Basic Life Insurance

As part of Lehigh’s benefits program, you automatically receive Basic Life Insurance benefits equal to one times your salary at no cost to you. For purposes of life insurance, your salary is your base salary as budgeted at the start of the plan year (i.e., January 1) or your hire date if you’re a new employee.

<table>

PROOF OF INSURABILITY

New employees can elect up to the maximum amount without submitting evidence of insurability for themselves and their dependents.

For all future enrollments, however, employees are required to provide evidence of insurability for increasing coverage by more than one times salary during any plan year.

Supplemental Life Insurance

You have the option to purchase Supplemental Life Insurance for you and your dependents.

- For you: You can purchase supplemental coverage in increments of one to four times your salary. The combined maximum total coverage available for Basic Life Insurance and Supplemental Life Insurance is five times your base salary, up to a limit of $1,500,000. The cost of the supplemental coverage is based on your age:

<table>
<thead>
<tr>
<th>Coverage Options</th>
<th>Monthly Premium</th>
<th>Dependent Life Insurance Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spouse/Partner</td>
<td>$2.20</td>
<td>$10,000</td>

<td>$0.40</td>
<td>$5,000</td>
</tr>
<tr>
<td></td>
<td>$0.80</td>
<td>$10,000</td>
</tr>
</tbody>
</table>

Under current law, premiums for dependent life insurance cannot be paid with tax-free dollars. The cost of the dependent life insurance option you choose will be paid through salary deduction on an after-tax basis.

• For your dependents: You can buy life insurance for your spouse/partner, your child(ren), or both. Dependent life insurance can cover a child from 15 days of age up to the end of the month in which he or she becomes age 26. You are the beneficiary for any dependent life insurance you select. Important note regarding duplication of coverage: If your spouse is also a benefits-eligible Lehigh employee you can not carry spousal life insurance for them. Also, only one of you may carry life insurance for your children. Paying for duplication of coverage does not mean the insurance company will pay more than one claim.
Important Tax Note for Life Insurance
Because the cost of life insurance is paid with pre-tax dollars, some taxable income will result from the value of coverage over $50,000. There are no tax consequences for coverage of $50,000 or less. If your coverage exceeds $50,000, the Internal Revenue Service (IRS) requires the University to include the taxable value of the premium that purchases life insurance in excess of $50,000 on your W-2 form. The IRS defines the taxable value, and this value may be different from the actual premium paid. The difference in the amount of extra taxable income is generally minimal unless you are crossing an age bracket during the plan year.

Lehigh determines the age-based premium using your age on January 1; the IRS uses your age on December 31. In addition, you’ll pay FICA (Social Security and Medicare) taxes on that amount as well if your pay is less than the Social Security wage base maximum.

HOW MUCH LIFE INSURANCE DO YOU NEED?
In evaluating your life insurance needs, it is important to look at the present and plan for the future to make informed decisions. Here are some key questions to consider when evaluating life insurance:
• What are your financial commitments and for what expenses would your family be responsible if you should die?
• What other resources are available to those who are financially dependent on you?
• What standard of living do you want your dependents to have without you?
• How much life insurance do you already have?

Long-term Disability Insurance
Lehigh’s Short-term Disability (STD) plan, as defined in the Faculty and Staff Guides, provides coverage for the first 26 weeks (six months) of disability. Once you have exhausted your STD benefit, Lehigh’s Long-term Disability (LTD) plan continues to replace a portion of your earnings — 66 2/3% of your LTD Base Salary — if, after 26 weeks, you are still unable to work for an extended period of time due to an illness or injury. The University pays the full cost of this coverage.
• For the period January 1 through June 30, your LTD Base Salary is your base salary as of January 1.
• For the period July 1 through December 31, your LTD Base Salary is your base salary as budgeted for the new fiscal year.

Selecting Pre- or Post- Tax Premium Payments
You decide if you want the premium for your LTD coverage paid pre- or post-tax. The choice you make affects how your benefit is taxed when paid.
• Purchasing LTD coverage on a “pre-tax” basis means paying federal income tax on the benefit if you become disabled but paying no federal income tax on the premium.
• Purchasing LTD coverage on a “post-tax” basis means paying federal income tax on the premium but paying no federal income tax on the benefit if you become disabled.

To qualify for LTD benefits, you will generally need to be totally disabled and, as a result, unable to work for 180 continuous days. The insurance company, not Lehigh, determines whether you are disabled and eligible for LTD. Once benefit payments begin, they can continue for as long as you are totally disabled and until you reach your Normal Retirement Age (as defined by your access to full Social Security income benefits) or longer if your disability begins after age 60.

Other sources of disability income are taken into consideration to determine the benefit provided. Disability benefits received from any state disability plan, Social Security, and the LTD portion of the disability plan, combined, won’t exceed 66 2/3% of your benefits eligible pay.

Additional information is available through the Lehigh Benefits website or by calling Human Resources at 610-758-3900.
Voluntary Benefits – Accident and Critical Illness

In addition to your primary medical plan, you may want to consider voluntary Accident and/or Critical Illness coverage through Aflac. These plans are intended to supplement your primary medical plan. These are not standalone medical plans. They provide additional coverage to help pay expenses your medical plan may not cover. These plans do not provide the level of medical insurance coverage you need in order to meet health care reform requirements. You pay the full cost of coverage through post-tax payroll deductions, which means your benefit, when paid, is tax free.

About Accident Insurance
You can’t always avoid accidents — but you can help protect yourself from accident-related costs that can strain your budget. Accident insurance supplements your medical plan by providing cash benefits in cases of accidental injuries. You can use this money to help pay for medical expenses not covered by your medical plan, such as your deductible or coinsurance, or for ongoing living expenses, such as your mortgage or rent.

You have two benefit coverage options: Low or High.

Benefits are paid:
- Directly to you, unless assigned to someone else.
- In addition to any other coverage, such as through your medical plan.
- Tax free, because you pay for each of these benefits with after-tax money.
- The policy pays you a benefit up to a specific amount for:
  – Dislocation or fracture
  – Initial hospital confinement
  – Intensive care
  – Ambulance
  – Medical expenses
  – Outpatient physician’s treatment

The actual benefit amounts depend on the type of injuries you have and the medical services you need.

About Critical Illness Insurance
When a serious illness strikes, critical illness insurance can provide financial support to help you through a difficult time. It protects against the financial impact of certain illnesses, such as a heart attack or cancer. You receive a lump-sum benefit to cover out-of-pocket expenses for your treatment that are not covered by your medical plan. You can also use the money to take care of your everyday living expenses like housekeeping services, special transportation services and day care.

You have two benefit coverage options: $10,000 or $20,000.

Benefits are paid directly to you, unless assigned to someone else.

Important note regarding duplication of coverage:
If you are taking family coverage and both parents are Lehigh employees, only one should cover the family. Duplication of coverage does not guarantee duplication of benefit payment.
Glossary

**Annual Deductible**
The amount you pay each year out of your own pocket before your medical plan covers a portion of the cost for covered expenses through coinsurance. For example, if your deductible is $1,000, your plan won’t pay anything until you’ve met your $1,000 deductible for covered health care services subject to the deductible. Note that if you enroll in any coverage level other than “employee only” for the High Deductible Health Plan (HDHP), you will need to meet the entire family deductible before the plan pays benefits. Any one family member, or any combination of family members, can satisfy the deductible.

**Balance Billing**
When a provider bills you for the difference between the provider’s charge and the allowed amount under your benefit plan. For example, if the provider’s charge is $100 and the allowed amount under your plan is $70, the provider may bill you for the remaining $30. An in-network provider (sometimes called a preferred provider, depending on your plan) may not balance bill you for covered services.

**Coinsurance**
The way you share in the cost for most covered services after you meet the deductible. For example, if the coinsurance amount is 80%, then your medical plan pays 80% of the cost and you pay for the remaining 20% out-of-pocket. When you choose an in-network provider, the coinsurance you pay is significantly lower than for an out-of-network provider.

**Co-payment**
A fixed amount (for example, $25) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service (e.g., office visit for a pediatrician vs. specialist visit for an orthopedist).

**Covered Charge**
The charge for services rendered or supplies furnished by a provider that qualifies as an eligible service and is paid for in whole or in part by your plan. May be subject to deductibles, copayments, coinsurance, or maximum allowable charge, as specified by the terms of the insurance contract.

**Covered Service**
A service or supply (specified in the plan) for which benefits may be available. The plan will not pay for services that are not covered by the plan.

**Dependent**
Individuals who rely on you for support including children and spouse, generally qualify as dependents for health care and insurance benefits.

**Emergency Room Care**
Care received in an emergency room.

**Formulary (Prescription Drug Coverage)**
The Plan includes a list of preferred drugs that are either more effective at treating a particular condition than other drugs in the same class of drugs, or as effective as and less costly than similar medications. Non-preferred (non-formulary) drugs may also be covered under the prescription drug program, but at a higher cost-sharing tier. Collectively, these lists of drugs make up the Plan’s Formulary. The Plan’s Formulary is updated periodically and subject to change. To check where your medications fall within the plan’s formulary please call Express Scripts at 1-866-383-7420.

**In-Network**
Doctors and other health care providers, hospitals, clinics, laboratories and outpatient facilities that have negotiated discounted rates with your plan. Depending on your plan, you may have the choice to receive care from either an in-network provider or an out-of-network provider, but you’ll generally pay more if you choose to see an out-of-network provider. In some cases, your plan will refer to network providers as “preferred” providers.

**Maximum Allowable Charge (MAC)**
The limit the plan has determined to be the maximum amount payable for a covered service.

**Out-of-Network**
Doctors and other health care providers, hospitals, clinics, laboratories and outpatient facilities that do not have negotiated discounted rates with your plan. You will generally pay more when you receive care from an out-of-network provider because that provider is not bound by contracted pricing. You are responsible for paying the difference between the amount the plan is willing to pay (sometimes called the maximum allowable charge) and the provider’s charge.
Out-of-Pocket Maximum
The most you will pay during the plan year for in-network care before your plan begins to pay 100% of eligible expenses. This limit does not include your premium or expenses for services not covered by your plan, nor does it include balance billing, amounts above the Maximum Allowable Charge (MAC) for your plan, or out-of-pocket costs for Davis Vision plan services and products. It’s important to check your plan and see what other charges may not be included.

Preferred Provider
A provider who has a contract with your plan to provide services to you at a discount. In some cases, there may be a “preferred network” as a subset of your plan’s overall network. In this instance, preferred providers offer additional savings on covered services.

Primary Care Physician (PCP)
A physician who directly provides or coordinates a range of health care services for a patient. You are required to select a primary care physician (PCP) to receive benefits through the HMO plan.

Premium
A health insurance premium is the monthly fee that is paid to an insurance company or health plan to provide health coverage. You and Lehigh both contribute to pay the cost of your premium, with Lehigh paying the majority of the cost.

Prescription Drugs
Medications that by law require a prescription.

Preventive Care
Any covered service or supply that is received in the absence of symptoms or a diagnosed condition. Preventive care includes preventive health services like physical examinations, certain immunizations, screening tests, and dental cleanings. Preventive care can also provide specific programs of education, exercise, or behavior modification that seek to manage disease or change lifestyle: programs for diabetes management, smoking cessation, childbirth preparation etc. Medical plans clearly define the types of services, supplies, and programs they offer as preventive benefits and they provide them based upon protocols established in the medical community with regard to factors like frequency, patient age, and suitability. The Patient Protection and Affordable Care Act also requires particular preventive services for particular individuals to be covered at no cost, provided the covered services are received from a network provider. These services can be reviewed at www.healthcare.gov/coverage/preventive-care-benefits

Specialist
A specialist focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent or treat certain types of symptoms and conditions. The Keystone HMO plan requires a referral to see a specialist, while the PPO plans and the HDHP do not require a referral.

Urgent Care
Care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.
Frequently Asked Questions

When is Open Enrollment?
For current employees: Open Enrollment begins on November 4th and ends on November 18th. Open Enrollment is your once-a-year chance to make changes to your benefits. You will not be able to make benefit changes until next year’s Open Enrollment unless you experience a Qualifying Life Event (QLE) (e.g., you get married or have a baby). You must notify Lehigh Benefits of your QLE within 31 days of the event.

For new hires: You must enroll within 30 days of your first day of work.

What changes can I make during Open Enrollment?
During enrollment you can:
• Change plans
• Add or delete dependents from your coverage
• Change coverage levels
• Enroll in a Health Care or Dependent Care Flexible Spending Account (FSA), and/or elect the Health Savings Account (HSA) if you enroll in the High Deductible Health Plan (HDHP) option for 2020.

How do I enroll?
1. Login to “Connect Lehigh” from the upper left corner of the Inside Lehigh home page
2. Select the Employee tab, then “Lehigh Benefits” from the list of applications.
3. Click on the “Click Here to View Your Benefits” button and proceed.

You can also now enroll via the Benefitfocus app.
1. Download the Benefitfocus App via the App Store or the Google Play Store.
2. Sign into the system with the ID “lehighbenefits.”
3. Log in using your Lehigh ID and password.

Who is eligible for benefits through Lehigh University?
You are eligible for benefits if you are a full-time (or work at least 75% of a full work schedule), salaried member of Lehigh’s faculty or staff employed in a benefits-eligible position.

You can also enroll your eligible dependents, including your spouse/partner, child(ren) up to the end of the month in which they become age 26, and disabled child(ren) without age limitation (coverage and its continuation is subject to required certification with the carrier). More information is available through Lehigh Benefits or by calling the Benefits Service Center at 1-844-342-4002.

When will my changes become effective?
For current employees: The benefit elections you make during Open Enrollment are effective from January 1, 2020 through December 31, 2020.

For new hires:
• Coverage for faculty members is effective as of their first day of work provided they complete their enrollment in Lehigh Benefits within the first thirty days of employment.
• Coverage for staff members is effective on the first of the month following your start date, provided completed enrollment materials are received within 30 days of your first work day.

What happens if I do not enroll by the deadline?
New Employees: If you miss your enrollment period deadline, you will be assigned Lehigh’s default benefit coverage, the PPO plan at an employee cost of $235 per month. No dependents will be enrolled in medical coverage; nor will dental insurance, supplemental or dependent life insurance, or flexible spending accounts be available to you or any dependents.
Current Employees: You will receive the same coverage you had in the prior year, with the exception of any flexible spending account or health savings account employee contributions which must be renewed annually.

How do I know what benefits to select?
You should select your benefits based on the needs of you and your family, as well as your financial situation. Use the tools available on the Lehigh Benefits website to help you make informed decisions about your benefits.

Are there any changes to the medical plans for 2020?
Monthly premiums and out of pocket maximums have increased. See the Your 2020 Medical Options, Summary of Benefits and Coverage and Plan Design Details sections of this publication for information about the plans available to you.
How do I find a provider?
For all medical plans, visit https://www.capbluecross.com and click Find a Provider. You must choose your network in order to see the list of all available in-network providers.

- Select PPO Network for PPO, PPO Plus, and HDHP
- Select HMO Network for Keystone

To find a dental provider, visit www.ucci.com and click Find a Dentist. You must select Concordia Advantage Plus as your network before seeing all available in-network providers.

To find a vision provider, visit www.davisvision.com and click Find a Provider.

For all plans other than the Keystone HMO, you have the option to receive care from any provider you choose regardless of whether he or she participates in the plan's network. Keep in mind that you'll typically pay more for care when you use out-of-network providers.

What is a Health Savings Account (HSA)?
An HSA is a tax-advantaged savings account that you can use like a bank account to pay for qualified medical, dental and vision expenses. You can use the money in your HSA this year or, if you don't use it now, you can save it for use in the future — even in retirement.

To be eligible to contribute money to an HSA, you must be enrolled in a High Deductible Health Plan (HDHP). See the Health Savings Account (HSA) section to find more information.

If I need more information regarding Open Enrollment, where can I find support?
See the Where to Go for Help section on the next page to find contact information for Lehigh’s benefit providers. You may also call the Lehigh Benefits Service Center at 1-844-342-4002.

Legal Notices

Review the following notices which are required by law to help you understand your rights. If you have any questions, please call Lehigh University Human Resources at 610-758-3900.

**Women’s Health and Cancer Rights Act of 1998 (WHCRA) Notice**

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- all stages of reconstruction of the breast on which the mastectomy was performed;
- surgery and reconstruction of the other breast to produce a symmetrical appearance;
- prostheses; and
- treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call Lehigh’s Human Resources at (610)758-3900.

**Newborns’ and Mothers’ Health Protection Act of 1996 (NMHPA) Notice**

Under federal law, group health plans and health insurance issuers generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother’s or newborn’s attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

**Notices Required By the Patient Protection and Affordable Care Act**

**Retroactive Cancellation of Coverage (Rescission)**

Your medical benefit cannot be cancelled retroactively except in the case of fraud, intentional misrepresentation of material fact, or failure to pay required contributions on a timely basis. A 30 day notice will be provided if coverage is rescinded. An example of fraud or intentional misrepresentation may include things such as retaining your former spouse on your medical benefits after your divorce decree is final. As a University medical plan participant, it is your responsibility to notify Human Resources of any changes to a dependent’s status within 31 days of a status change event. Failure to provide timely notice to Human Resources constitutes intentional misrepresentation of material fact.

**The Designation of Primary Care Providers**

The Keystone Health Plan Central Health Maintenance Organization Plan (KHPC) generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in the plan network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider, and for a list of participating primary care providers, contact the plan at 800-216-9741. You do not need prior authorization from KHPC or from any other person (including your primary care doctor) in order to obtain access to obstetrical or gynecological care from a health care professional in the plan network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact the plan at 800-216-9741.

The ACA’s individual mandate requires that nearly everyone have medical coverage or pay a penalty. If you are benefits-eligible and enroll in a Lehigh health plan, you will be in compliance with the individual mandate.

- Our health plans offer the level of coverage to satisfy the individual mandate.
- Our health plans offer affordable coverage with at least the minimum benefit value (called “minimum essential coverage”) required under the ACA.
- Anyone can shop in the public health insurance marketplace. While some low-income individuals qualify for subsidized coverage, Lehigh employees generally will not qualify because of the cost and benefit value of our health plans.
- If you shop in the health insurance marketplace, you may find the options offered to be more expensive than the University’s coverage because Lehigh pays a large part of the cost for your medical coverage. Generally, in the public marketplace, you will pay the entire cost of your coverage.
- For more information about the ACA, visit [www.healthcare.gov](http://www.healthcare.gov).
Premium Assistance Under Medicaid and The Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2019. Contact your State for more information on eligibility.

**Paperwork Reduction Act Statement**

According to the Paperwork Reduction Act of 1995 (Pub. L. 104-13) (PRA), no persons are required to respond to a collection of information unless such collection displays a valid Office of Management and Budget (OMB) control number. The Department notes that a Federal agency cannot conduct or sponsor a collection of information unless it is approved by OMB under the PRA, and displays a currently valid OMB control number, and the public is not required to respond to a collection of information unless it displays a currently valid OMB control number. See 44 U.S.C. 3507. Also, notwithstanding any other provisions of law, no person shall be subject to penalty for failing to comply with a collection of information if the collection of information does not display a currently valid OMB control number. See 44 U.S.C. 3512.

The public reporting burden for this collection of information is estimated to average approximately seven minutes per respondent. Interested parties are encouraged to send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the U.S. Department of Labor, Employee Benefits Security Administration, Office of Policy and Research, Attention: PRA Clearance Officer, 200 Constitution Avenue, N.W., Room N-5718, Washington, DC 20210 or email ebsa.opr@dol.gov and reference the OMB Control Number 1210-0137.

OMB Control Number 1210-0137 (expires 12/31/2019)
Creditable Coverage Disclosure Notice

Important Notice from Lehigh University About
Your Prescription Drug Coverage and Medicare
October 5, 2019

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Lehigh University and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. Lehigh University has determined that the prescription drug coverage offered by the Express Scripts plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current Lehigh University coverage will not be affected. You can retain your existing coverage and choose not to enroll in a Part D plan now. Or, you can enroll in a Part D plan as a supplement to, or in lieu of, the other coverage. Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits. If you do decide to join a Medicare drug plan and drop your current Lehigh University coverage, be aware that you and your dependents will be able to enroll back into the Lehigh University benefit program during the open enrollment period under the plan, providing you are an active, benefits eligible employee at that time.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with Lehigh University and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
For More Information About This Notice Or Your Current Prescription Drug Coverage...
Contact the person listed below for further information at 610-758-3900. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Lehigh University changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...
More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:
- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Lehigh University Benefit Plans Notice of Privacy Practices

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully.

Lehigh University sponsors the following employee welfare benefit plans (collectively referred to as the “Plans”):
- PPO, administered by Capital Blue Cross,
- PPO Plus, administered by Capital Blue Cross,
- Keystone Health Plan Central HMO, administered by Capital Blue Cross,
- High Deductible Health Plan, administered by Capital Blue Cross,
- Behavioral Health Benefits, administered by Magellan Behavioral Health and Integrated Behavioral Health,
- Employee Assistance Program, administered by Integrated Behavioral Health,
- United Concordia Dental, insured by United Concordia Life and Health Insurance Co.,
- Davis Vision, insured by Highmark Blue Shield,
- Express Scripts Pharmacy Benefits, administered by Express Scripts,
- Health Care Flexible Spending Accounts, administered by WageWorks, and
- Health Savings Account, administered by HealthEquity.

The Plans are required by law to maintain the privacy of your health information and to provide you with notice of their legal duties and privacy practices with respect to your health information. If you have any questions about any part of this Notice or if you want more information about the Plans’ privacy practices, please contact:

Director, Human Resource Services
Lehigh University Human Resources
306 South New Street, Suite 437
Bethlehem, PA 18015
Phone: 610-758-3900

How the Plans May Use or Disclose Your Health Information

The following categories describe the ways that we (the Lehigh University Benefits Staff) may use and disclose your health information. For each category of uses and disclosures, we will explain what we mean and present examples. Not every use or disclosure in a category will be listed. However, all the ways we are permitted to use and disclose information will fall within one of the categories.

1. **Payment Functions.** We may use or disclose health information about you to determine eligibility for plan benefits, obtain premiums, facilitate payment for the treatment and services you receive from health care providers, determine plan responsibility for benefits, and to coordinate benefits. For example, payment functions may include confirmation of eligibility and demographic information to ensure accurate processing of enrollment changes.

2. **Health Care Operations.** We may use and disclose health information about you to carry out necessary insurance-related activities. For example, such activities may include submitting claims for stop-loss coverage; auditing claims payments; and planning, management, and general administration of the benefits plans.

3. **Required by Law.** As required by law, we may use or disclose your health information. For example, we may disclose your health information to a law enforcement official for purposes such as complying with a court order or subpoena and other law enforcement purposes; or we may disclose your health information in the course of any administrative or judicial proceeding; or we may disclose your health information for military, national security, and government benefits purposes.

4. **Health Oversight Activities.** We may disclose your health information to health agencies in the course of audits, investigations, or other proceedings related to oversight of the health care system. For example, we will report medical plan enrollment information to the Medicare: Coordination of Benefits IRS/SSA/CMS Data Match Project.

5. **Worker’s Compensation.** We may disclose your health information as necessary to comply with worker’s compensation or similar laws.

When the Plans May Not Use or Disclose Your Health Information

Except as described in this Notice of Privacy Policies, we will not use or disclose your health information without written authorization from you. If you do authorize us to use or disclose your health information for another purpose, you may revoke your authorization in writing at any time. If you revoke your authorization, we will no longer be able to use or disclose health information about you for the reasons covered by your written authorization, though we will be unable to take back any disclosures we have already made with your permission.
Statement of Your Health Information Rights

1. Right to Request Restrictions. You have the right to request restrictions on certain uses and disclosures of your health information. The Plans are not required to agree to the restrictions that you request. If you would like to make a request for restrictions, you must submit your request in writing to:

Director, Human Resource Services
Lehigh University Human Resources
306 South New Street, Suite 437
Bethlehem, PA 18015

2. Right to Request Confidential Communications. You have the right to receive your health information through a reasonable means or at an alternative location. There are two standard locations used for distribution of plan information. If you are an employee of the University, most information about the plans will be sent to your campus address. On occasion, information may be distributed through the U.S. Postal Service. The standard location for the U.S. Postal Service delivery of plan communications will be your home address, as listed in Lehigh's records. If you are not a current employee of Lehigh University, our standard location for sending plan information to you is your home address, as listed in Lehigh's records. To request an alternative means of receiving confidential communications, you must submit your request in writing to:

Director, Human Resource Services
Lehigh University Human Resources
306 South New Street, Suite 437
Bethlehem, PA 18015

We are not required to agree to your request.

3. Right to Inspect and Copy. You have the right to inspect and copy health information about you that may be used to make decisions about your plan benefits. To inspect and copy such information, you must submit your request in writing to:

Director, Human Resource Services
Lehigh University Human Resources
306 South New Street, Suite 437
Bethlehem, PA 18015

If you request a copy of the information, we may charge you a reasonable fee to cover expenses associated with your request.

4. Right to Request Amendment. You have the right to request that the Plans amend your health information that you believe is incorrect or incomplete. We are not required to change your health information and, if your request is denied, we will provide you with information about our denial and how you can disagree with the denial. To request an amendment, you must also provide a reason for your request in writing to:

Director, Human Resource Services
Lehigh University Human Resources
306 South New Street, Suite 437
Bethlehem, PA 18015

5. Right to Accounting of Disclosures. You have the right to receive a list or “accounting of disclosures” of your health information made by us, except that we do not have to account for disclosures made for purposes of payment functions or health care operation, or those made to you. To request this accounting, you must submit your request in writing to:

Director, Human Resource Services
Lehigh University Human Resources
306 South New Street, Suite 437
Bethlehem, PA 18015

Your request should specify a time period of up to six years and may not include dates before April 14, 2003. The Plans will provide, on request, one list per 12-month period free of charge; we may charge you for additional lists.
6. **Right to Paper Copy.** You have a right to receive a paper copy of this Notice of Privacy Regulations at any time. To obtain a paper copy of this Notice, send your written request to Lehigh University Human Resources, 306 South New Street, Suite 437, Bethlehem, PA 18015. If you would like to have a more detailed explanation of these rights or if you would like to exercise one or more of these rights, contact:

Director, Human Resource Services  
Lehigh University Human Resources  
306 South New Street, Suite 437  
Bethlehem, PA 18015  
Phone: 610-758-3900

**Changes to this Notice of Privacy Practices**  
The Plans reserve the right to amend this Notice of Privacy Practices at any time in the future and to make the new Notice provisions effective for all health information that it maintains. We will promptly revise our Notice and distribute it to you whenever we make material changes to the Notice. Until such time, the Plans are required by law to comply with the current version of this Notice.

**Complaints**  
Complaints about this Notice of Privacy Practices or about how we handle your health information should be directed to:

Vice President for Finance and Administration  
Lehigh University  
27 Memorial Drive West  
Bethlehem, PA 18015  
Phone: 610-758-3178

The Plans will not retaliate against you in any way for filing a complaint. All complaints about the Privacy Practices described in this Notice must be submitted in writing. If you believe your privacy rights have been violated, you may also file a complaint with the Secretary of the Department of Health and Human Services.

**Effective Date of This Notice: April 14, 2003; Updated October 21, 2019**
