.....🍁 **november health tips** 🍁.....

## butt scoot boogie

Have you ever wondered why dogs occasionally drag their butt on the carpet? It may look funny (unless you have to clean it up), but some potential causes are serious medical issues.

[read more »](#)

## what's in the gut?

If you've got a chunky kitty or a plump puppy, it could be due to their diet negatively affecting gut bacteria. Dr. Ernie Ward explains how.

### Louie

*5-year-old Pit Bull mix*

After Louie ate an entire corn cob, veterinary surgeons had their work cut out for them. Petplan covered emergency procedures to help this cob-crunching canine recover and get back to his regular diet.

#### unexpected tail:

\$3,747 to remove ingested corn cob

#### lesson learned:

Corny jokes aside, **Petplan provides help** when your pet dines off-menu.

**"My Louie had to have emergency surgery, and it was such a comfort knowing that he was protected by Petplan. He's made a full recovery and is back to normal."**
