During the 14 day Planning Step, your direct report is to complete the following:

- Verify they have this year’s form
- Confirm the manager’s name in the Start section; email inperf@lehigh.edu if incorrect
- Navigate to the Responsibilities and Ratings section to:
  - Enter this year’s goals (this can be updated later if needed)
  - Delete the Managerial Success Factors box if they do not manage exempt or non-exempt staff
- Click I acknowledge in the Next Steps section to acknowledge the beginning of the review process

When these tasks are complete, navigate to the Next Steps section in your direct report’s review to acknowledge the beginning of the review process.

- To complete the Planning step, both you and your direct report must click I acknowledge in this section.

Quarterly check-ins with your direct report are informal performance conversations that should cover three topics:
- review of expectations
- progress on goals
- opportunities for growth and development

The employee may enter check-in notes manually or upload them as an attachment into the appropriate box in the Quarterly Notes section of their form.

The PageUp system requires supervisor comments in this section, though this is not a required part of Lehigh’s process.
During the 4th Quarter step, your direct report is to complete the following in preparation for the annual performance review:

- Enter Accountabilities manually or upload a copy of the Position Description
- Enter or revise Goals
- Answer the Self-Assessment questions

No supervisor action is required during this step.

External Feedback Feature

This function is used to request performance feedback from individuals who are not the employee’s direct supervisor.

It can be useful in the event of a dual reporting structure, or may be used to solicit feedback from colleagues or others as appropriate.

Entries submitted via External feedback will embed directly into the Performance Review.
**In order to transition the form to you for the End of Year Evaluation (Rating) step, your direct report must select the “Go to next step” button in the Next Steps section of their form. After doing so, they will not be able to make edits.**

---

**End of Year Evaluation (Rating)**

Begin by reviewing the content within these sections:

- **Planning** (use of this section is optional)
- **Quarterly Notes**
- **Self-Assessment/Development Plan**
  - Click the **Completed** tab to view learning activity completions

Navigate to the **Responsibilities and Ratings** section to review Accountabilities and Goals and assign ratings

Assign **star ratings** for:

- Accountabilities
- Goals
- Lehigh’s Core Success Factors
- Lehigh’s Managerial Success Factors *(if the employee manages exempt or non-exempt staff)*

**Star Rating Criteria**

- **Exceptional**
  - Results are above and beyond expectations in a manner than is significant, extraordinary and rare

- **High Contributor**
  - Results are consistent with complete mastery of all job expectations, including goals and behaviors (success factors)

- **Fully Successful**
  - Results meet all expectations (key accountabilities, goals and behaviors); a reliable and competent employee

- **Needs Improvement**
  - Results demonstrate potential to become successful; some development and/or improvement is needed

- **Unsatisfactory**
  - Results significantly miss achievement of expectations; immediate improvement is required
Click **Add comment** to elaborate on your rating and provide additional feedback to the employee.

Supervisor comments are **required** for all star-rated items.

*Note: The PageUp system also requires supervisor comments in the Quarterly Updates section, though this is not a required part of Lehigh’s process.*

**Comments do not save automatically.**

Click **Save & Share** to post your comment to the review. Shared comments are visible to the employee.

Use the **Save as Private** option to add notes for yourself or to save a draft comment. These can be published or deleted later. To publish a draft comment, edit the comment then click **Save & Share**.

To link a journal entry or upload additional attachments to the review, use the dropdown button next to the **Add comment** button.

To enroll the employee in development activities from the Learning Library, click the **Add** button and select an activity.

After assigning star ratings for Accountabilities, Goals, Lehigh’s Core Success Factors, and Lehigh’s Managerial Success Factors (if applicable), and entering and saving your comments in all sections, navigate to the **Next Steps** section to assign the overall rating.
The form does not automatically calculate an overall rating. A one star/unsatisfactory rating displays until an overall rating is assigned.

- Assign the overall rating using the sliding scale
- Click Save
- Refresh the page (Ctrl+R) to ensure the Overall rating box matches the calibrated rating.

Note: The overall rating should align with stars assigned in the Responsibilities and Ratings section of the form. If you’ve assigned any one star (Unsatisfactory) or two star (Needs Improvement) ratings, please contact the performance management team in HR at inperf@lehigh.edu

When the evaluation is complete, click Go to next step to send the form to the employee for review and acknowledgement.

Do NOT click Go to next step until the evaluation is completely finished. Clicking, ‘Go to next step’ will move this review to the next step and you will be unable to return to this step.”

Note: If you click “Go to Next Step” and receive an error or are unable to progress the form:

- Review all information in the pink box at the top of the page. This is where the system defines what steps must be taken to move the form forward.
- The PageUp system requires comments in every comment field of the form, including the Quarterly Notes section.
- Lehigh’s performance management process requires comments in the Responsibilities and Ratings section and Overall comments.
- You will need to enter “No comment” or “N/C” in the Quarterly Notes sections.
Review **all sections** of the form for any additional employee comments before finalizing the review.

To add additional comments/responses (optional):
- Click **Add comment**
- Click **Save & Share** to publish the comment

Navigate to the **Next Steps** section and click **I acknowledge** to finalize the review.

Selecting **I acknowledge** confirms the evaluation has been reviewed and discussed with the employee.
