A health benefit brought to you by Lehigh University

This voucher entitles the bearer to one flu shot at any CVS Pharmacy®.

Customer:
Please bring this voucher to receive a flu shot. Your flu shot cannot be processed without remittance of this voucher.

For 65+ high dose flu shots are available while supplies last. Your copay will be $0.00 for QIV or $0.00 for High Dose.

Pharmacy:
1. Ask customer to print name and sign the front of the voucher in the designated area.
2. Process the flu shot as a prescription using condor code #33700.
3. Enter the voucher ID FLU in the patient ID field.
4. Enter group ID YEC002.
5. Staple voucher to prescription.
6. After adjudicated, the copay will be $0.00 for QIV or $0.00 for High Dose.
7. Provide flu shot to the patient following normal procedures.

For any issues processing this voucher, please contact Help Desk at (866) 528-7272.

Voucher is good from 9/1/2017 through 3/31/2018. Voucher can be redeemed at CVS Pharmacy locations, Longs Drugs®, Navarro® and CVS Pharmacy at Target. Cannot be used at MinuteClinic®.
